About Radin Company

Aragil Export Company is a reputable and leading company in the production and supply of fragrant Hashemi rice. Established with the goal of providing high-quality and natural products to domestic and international markets, and with over 15 years of experience in offering high-quality and fragrant Hashemi rice from various regions of Gilan, it is recognized as one of the pioneers in this industry. By leveraging its experience, Aragil Export has the capability to produce diverse and high-quality rice varieties tailored to the needs of its customers. From processing to packaging, all stages of rice production are overseen by the company's skilled experts, ensuring quality control at all times

Fragrant Hashemi rice is renowned for its unique aroma and flavor and is one of the most popular types of rice in Iran and other countries. Due to its unique agricultural properties, Hashemi rice offers an unparalleled aroma and flavor that sets it apart from other rice varieties

Features

- Clear white color
- Exceptional aroma and flavor
- Long and well-cooked grains
- Gluten-free

Benefits

- Suitable for various dishes
- Retains quality over time
- A healthy source of energy
- Rich in carbohydrates
- Contains B vitamins

Production Process

Aragil Export utilizes modern technologies alongside traditional farming methods to harvest rice from Gilan's fields. After undergoing various stages such as washing, drying and packaging, the rice is brought to market. The company places significant emphasis on quality control to ensure customers receive the best possible product

Cultivation and Harvesting

Utilization of both traditional and modern methods in rice cultivation

Harvesting at the right time to preserve aroma and flavor

Washing and Drying

Thorough washing of grains to remove impurities

Drying in a way that minimizes moisture

Packaging

Hygienic and standard packaging to maintain quality

Offered in a range of sizes to cater to the diverse needs of our customers

Aragil Export is active not only in Iran's domestic market but also internationally. The company exports fragrant Hashemi rice to various countries, particularly in the Middle East and Europe, aiming to establish its brand on a global scale. This well-known company also places great emphasis on its social responsibility. By supporting local farmers and promoting sustainable farming methods, the company contributes to the economic development of the region and strives to create positive social and economic impacts within the community

The primary goal of Aragil Export is to provide high-quality fragrant Hashemi rice and excellent services to its customers. The company is committed to customer satisfaction and delivering the best possible services to be recognized as a reliable and trusted brand in the market
